

Building Update

Here is a short update on our remodel project:

As you may have noticed, the kitchen is nearly done. If you have time, please check it out to see all the changes! Discussion has been on-going with the architect and an engineer about the feasibility and cost involved with opening up a wall to make the foyer area more open to the Sanctuary and main hallway.

Our next focus area is the foyer and office area. The coffee connect will soon have a new coffee maker up and running. It will be just inside of the Fellowship Hall and should be a great place for community group meetings and for hanging out before and after services.

Again, we want to thank you for your giving and would appreciate your prayers for guidance as we continue on this journey.

Missions:	\$58,596

Growing Young Finances:

Pledged:	\$585,513
Total Received	\$326,513

Student Spotlight: Grady Moeller

This newsletter, we are going to spotlight Grady Moller. He is a junior who attends Fremont High School. For the next couple months, Grady is spending one of his class periods in School to Career, shadowing Brandon. School to Career is designed to allow high school students to see and experience real life, work experience. Grady has chosen to spend his time shadowing Brandon to experience his everyday work life.

When asked How One80 has impacted his life, Grady responded:

I think ever since I can remember One80 has always been a highlight of my week. Between the great people, food and messages, there is something here for everyone. I first started coming to One80 as a way to hang out with my friends and play fun games. But the more I came and hung out with people, it made me realize there is more to this place than the here and now fun. I have learned and seen God in ways I never thought I could. My relationship with God has grown stronger every week that I have been in One80 and continues to grow stronger every day since. One80 not only has taught me how to be a Christian, but it has laid a strong foundation for my faith to be built on and I am nothing but grateful for the great leaders this program has put in my life.

Upcoming Events

February 16 – April 26, Financial Peace University - Sunday nights 6-8pm
March 6-8 (Omaha) AND March 27-29 (Lincoln), A Weekend to Remember

Kids Connect Leader Spotlight

Meet the Jost Family-Mike, Jen, and Liam

1. What has serving in Kids Connect meant to you and your family?

It's something we do as a family that we all enjoy, while serving our church. The curriculum is very organized, but there is room to be spontaneous and have fun. It makes for an enjoyable and meaningful start to the week.

2. What is your favorite part of serving?

Getting to know the kids. They are all funny, and often share insights about the lesson that are inspiring. We usually talk about what happened in KC during our Sunday dinner, because it's refreshing to learn about the kids' thoughts and personalities.

3. Why is it important to serve in Kids Connect?

Almost all of the kids want to know about God and play an active role in the lessons. They need people to encourage them in their learning.

4. What is God teaching you as you serve?

We can fall short of the glory of God, but still take a part of serving. We are learning alongside the kids. Even though we know a lot of the teachings, there is always something new to learn, and that is ok. We don't have to be experts to provide value.

The Manger Project

The Manger Project was a fun and interactive holiday event that helped families focus on the true meaning of Christmas while building a manger. Parents were given a chance to teach their kids hard work, perseverance and most importantly, why the manger (God coming to earth as a baby) is so important to their faith. Along with the Manger Project, items were gathered, donated and delivered to The Bridge. The Bridge is committed to eliminating violence in the lives of women, children, and men through empowerment, education and social action.

Fremont Alliance Church

1615 N. Lincoln Ave
Fremont, NE 68025

Phone: 402-721-5180

Email: office@fremontalliance.org

Sunday mornings:

9am Classes for all Ages

9am Coffee Connection
