

Fremont Alliance Church

COVID – 19

RESPONSE

Welcome back Kids and Students!

We have been working hard in putting together a plan to restart our children/student ministries. I want to thank our staff and the restart team for their wisdom and work in developing this plan. We want to make our kids and student ministries as safe as possible as well as provide an opportunity for their spiritual growth. There is no pressure or judgement either way. If you feel comfortable sending your children/students to the different programs, you are welcome. If you choose to not do this, I would encourage you to wait until there is a level of comfort for you and your family.

The following are guidelines we are asking everyone to abide by. These guidelines are in sync with Fremont Public Schools guidelines. We have set up these guidelines with the colors of green, yellow, orange and red. Green is back to minimal spread, yellow/orange is minimal to moderate and red is severe. Each color has our response outlined for you.

Here are some changes you need to be aware of:

- One80 will be meeting at Camp Rivercrest from 6:30pm-8:15pm on Wednesday evenings. The reason for this change is because it will give AWANA and One80 more room to social distance. We also did not want to change evenings because of scheduling issues with families and students who need a spiritual boost in the middle of the week.
- Our Check-In policy has changed. This will become evident as you go through this restart plan.
- Please read carefully the new schedule for children/student ministry.

Our desire is to teach the Word of God to our children/students in a safe and effective manner for those who want this for their families. This is not without its risks and you need to seek the Lord for what he wants you to do. Please be in prayer as we move forward in ministering to our families.

*We will not hide them from their children; we will tell the next generation the praiseworthy deeds of the LORD,
his power, and the wonders he has done.*

(Ps. 78:4)

Your friend,

Pastor Tom Nevius

FAC At A Glance Schedule

Green (Minimal Spread)

Children's Ministry – Check-in at Nursery

Nursery- 9am & 10am

Rally – 9am

Kids Connect – 10am
