It was announced back in February that a pastoral transition was in place for Fremont Alliance. We are excited that all of that time and planning is coming to fruition as Pastor Tom Nevius will now, as of August 23, be serving as associate pastor while Pastor Jeremy Stine will be serving as lead pastor of FAC.

Born in Omaha, Pastor Jeremy was raised in Gretna, Nebraska. After high school, Pastor Jeremy attended Grace University, graduating in 2002 with a degree in Christian Education with an emphasis in youth ministry. In 2015, he received his masters degree in Christian Studies from Crown College. His favorite bible verse is John 3:30-*"He must become greater, I must become less."* He states, "It's a reminder for me that my life does not exist for myself, but for the praise and honor of Jesus."

Married since 2002, Pastor Jeremy and his wife Sarah, have raised their four children, Leah (14); Anna (13); Rachel (11); and Nathan (9) here in serving eight years before changing positions to Pastor of Young Families. "I have loved getting to work with families over the last few years to help encourage people in their marriages and in their parenting.

Pastor Jeremy's greatest joy in ministry is seeing the Word of God come alive for people. This is especially true when people hear the Word taught and the "light bulb" goes off, and they put their faith in Jesus.

Jeremy's favorite pastime is golfing. He has fond memories of golfing with his dad as a kid. He now golfs whenever he gets the chance and has even convinced Sarah to get into the sport. His favorite sport, however, is college football, GBR!

When asked how, as a congregation, we can support you, he said, "Sarah and I would really appreciate your prayers as we step into this new role. Fremont Alliance has such an amazing history of being used by God to impact people's lives through both local ministry and missions. We look forward to God continuing to use this church in that way and look forward to continuing to serve alongside you all as we seek God together."

Director of Children's Ministry

In Nursery and Kids Connect, we recognize and believe that children need to be fully dependent on Christ and that because He loves them so much He sacrificed his life for them. Our desire for children's ministry is to encourage children to become more like Christ in their hearts, words and actions.

We were so excited to welcome children back on August 23 ! There were six children that attended. We sang songs, did a craft and learned about Joseph. Joseph was thrown into a pit and then sold as a slave by his brothers and sent to Egypt. We talked about how Joseph must have been confused and upset by everything that was happening, but God had a plan. Our Big Picture question that week asked us "Who is always with us?" We learned that "God is always with us, even when things happen that we don't understand". Right now people might be confused and upset by things going on around them, but we know that God has a plan and is always with us.

Navigating life and Children's ministry with Covid 19 is tricky, but we are excited to see what this next season will bring. We are striving to show God's love to our church family not only in the church building, but to our families that are at home also. We are thankful that we can return to on-site programming as well as post our Bible lesson video and discussion on our facebook page (FAC Kids Connect) for anyone to enjoy. We look forward to this upcoming year and the plan that God has for us to experience the transforming love of Jesus Christ.

AWANA

"Be diligent to present yourself approved to God as a workman who does not need to be ashamed, accurately handling the word of truth." 2 Timothy 2:15

Were you aware that Awana is an acronym that comes from this verse – Approved Workman Are Not Ashamed? Our mission, which comes from our pledge, is to "reach boys and girls with the gospel of Christ and train them to serve Him". Awana is a club for children ages 3 years through 6th grade. We meet every Wednesday evening during the school year from 6:15 pm until 8:00 p.m. and we would love to have your child join us!

This year, to help with planning, we are requiring clubbers to be pre-registered. If you did not attend the parent's meeting on September 9th, please contact Cindy or Julie to sign your child up. You can also go to our website, click on the "Kids" tab and complete the registration form. Our Kick Off Night is **September 16th at 6:15 pm**. This will be a shortened night as we will be dismissing at 7:15 pm.

Renovation Update

Our remodeling plans have been affected by several factors. Contractors are at present very busy and some materials are hard to get due to plant shut-downs. That being said, we are still proceeding with plans.

A new entrance design is in the works. After looking at several concepts, a design is being fleshed out to give us a new, more visible and welcoming main entrance on the north side of the building. A contractor is going to be engaged to work with the designer to finalize plans.

Carpeting is going into the staff offices sometime late September. This is because supply has been hindered.

As always, the design team appreciates the support and prayers you have shown us in the past.
