Remodel Continues

A short update on the remodel. The foyer will soon have new floor coverings. These will include walk-off carpet, vinyl tile and carpet. There is a new reception desk being built and painting is being done. Pastor Brandon's office is now in the old copier room and the copy equipment is now in his old office space. We have opened up the Coffee Connection in the Fellowship Hall.

Designs and concepts have been drawn up for a new entrance on the north side of the church and are now being reviewed. Parking lot plans have been drawn up and city approval has been given to the plans. These plans, along with the new entrance, will be presented to the city for final approval when final designs have been reached on the new concepts.

With the new roof there have been no water leaks! Praise God! A contractor has been hired and work on repairing the water-damaged ceiling will begin soon. We will start on the main hallway when repairs are completed, with new lighting, paint and flooring.

Discipleship Groups

Fremont Alliance church is committed to making disciples of all nations. We believe one of the best ways to do this is through discipleship groups, which include:

- **Community Groups:** Community groups are a large group ministry (10-30 people) focused on the word of God, fellowship and mission. These groups meet at different times throughout the week including Sunday morning.
- **Small Groups:** These are smaller groups, (3-10 people) that focus on the study of God's word, fellowship and prayer. They meet at different times and places throughout the week.
- **Support groups:** These groups focus on a particular need or group of people and meet throughout the week.

We want everyone to be part of a discipleship group to experience a spiritual family that shares life together and serves a common purpose.

For a complete listing of groups go to our webpage
